## Armuralia

Armuralia provides an exquisite, silky smooth finish with subtle tonal variations. This finish has an inherent elegance, achieving unrivalled depth and vibrancy of colours.

The final appearance of this finish is very dependent on the hand of the individual applicator, making it possible to achieve anything from a plain, lightly polished surface to a more highly burred and marbled effect.

Colours and patterns illustrated are for guidance only. Due to print limitations, the exact patterns, colours and shades may vary from those shown. Please request a sample for accurate representation.
