DRAWING DETAIL SHEET - AI-44-015ST15

EXTERIOR PANEL SYSTEM - MFSTR-050 CLIPS

This specification is for guidance only. It describes good working practise. It does not claim to be the correct and only method and is made without responsibility for the execution of the work. Build quality is the responsibility of the installer/builder.

- * All fiber cement parts sealed with moisture block coating.
- * All component items glued and screwed with suitable products.
- * Dimensions shown for the fixing of MFSTR-050 clips from the top and the bottom of the panels are per a standard clip placing dimensions. Positioning of MFSTR-050 clips on panel backs can be tailored to suit specific project requirements.
