

ARMOURCOAT®
SURFACE FINISHES

POLISHED PLASTER

SMG

SMG is a super luxury finish with the appearance of a seamless high-gloss 'lacquer' effect, with virtually no surface movement visible.

The finish works best in black or white as a stunning backdrop for haute couture. SMG provides an opulent decorative effect, equally suited for walls and ceilings, offering great light reflection to create an inviting and spacious interior.

- A natural mineral product created from ultra-fine lime putty, marble powder and special additives.
- Contains 40% pre-consumer recycled marble
- Low VOCs
- Class '0' / 'A' fire-rating
