

ARMOURCOAT®

SUSTAINABLE LUXURY FINISHES

SPECIFICATION SHEET

CLAY LIME PLASTER - CLIME (COARSE)

Beautifully aesthetic, bringing the outside in through its earthy natural pigments and textures.

Clime Coarse includes recycled crushed marble to create a heavier texture, suitable for large areas where a more dramatic finish is desired. Clime Coarse is 100% cement and VOC free, biodegradable and has achieved IAC Gold Status, EPD and HPD classification. Due to the materials versatility, it can be used in both homes and commercial buildings, withstanding the demands of busy interiors.

MOULD
AND MILDEW
RESISTANT

ZERO VOC
