SPECIFICATION SHEET

POLISHED PLASTER SIGNATURE RANGE- MATESE D'ORO

Matese D'Oro takes the rich, rugged texture of Matese and adds gold leaf to create a stunning, ultra-luxe surface finish.

The natural, coarse texture of the plaster is transformed after gilding, highlighting the intricacies of surface with misses that show the rich brown plaster beneath. An antiquing glaze is applied at the final stage to protect the surface and give the gold leaf an aged, rich tone.
