

ARMOURCOAT®

SUSTAINABLE LUXURY FINISHES

SPECIFICATION SHEET

SCULPTURAL PLASTER - SMOKE

An engaging three dimensional surface with a soft playful aesthetic.

Capturing the soft, mesmerizing aesthetic of bonfire smoke whispers, Smoke uses soft undulating surfaces that ebb and flow to create a calm yet engaging design. The recommended finish for Smoke is Perlata, a pearlescent decorative paint with a subtle shimmer and high durability.

Armourcoat Sculptural designs are handmade and seamlessly installed by skilled applicators before being decorated in the surface finish of your choice. Suitable for projects of all types, including swimming pools, sculptural designs are extremely durable and VOC free.
