

SPECIFICATION SHEET

CLAY LIME PLASTER - CLIME HONED

Designed to improve the quality of living and working interiors whilst minimising the environmental impact.

Clime Honed creates a finely textured, subtle finish which radiates the natural material used. Clime honed, a natural clay lime plaster is 100% cement and VOC free, biodegradable and has achieved IAC Gold Status, EPD and HPD classification. Due to the materials versatility, it can be used in both homes and commercial buildings, withstanding the demands of busy interiors.
